- 1. I am a citizen of the United States, over the age of 18 years old, of sound mind, make this Declaration based upon personal knowledge, and, if called to testify, would testify competently to the facts set forth herein.
 - 2. I am a Defendant in the above-entitled case filed by Plaintiff James V. Deppoleto, Jr.
- In 2021, Michael Holley (hereinafter "Holley") and I incorporated Takeover Industries in Nevada. On or about February 26, 2021, Labor Smart, Inc., acquired Takeover and became a wholly owned subsidiary of Labor Smart. After the acquisition, Holley was named a Director of Labor Smart, as well as Chief Operating Officer and Treasurer of Takeover in addition to sitting on the Board of Directors for Takeover. At that time I was the CEO of Takeover and director of Labor Smart and Takeover.
- At that time, Joseph Pavlik (hereinafter "Pavlik") served as Chief Science Officer and a Board of Directors member for Takeover, as well as an Officer for Labor Smart. It was at this point that Iason Tucker (hereinafter "Mr. Tucker") would begin working with Takeover to assist in building the company's brand. On June 10, 2021, the Board of Directors of Takeover held a "Special Meeting" which established that the Board of Directors for Takeover moving forward would consist of Holley, Tucker, Pavlik, and me. In or about December 2021, Takeover's Board of Directors, at the urging of Tucker, held a meeting and voted to remove Holley from the Board due to allegations of mismanagement of Takeover funds, allegations which Holley has vehemently denied. See Exhibit A, Takeover's Minutes of Special Meeting of Board of Directors.
- From the period of May 25, 2022, through August 19, 2022, Plaintiff Depploeto entered into three claimed Note Purchase Agreements (bereinafter "NPAs") with Takeover. The Notes were for the total of \$500,000 each signed by Tucker, as president of Takeover, Michael Costello (Chief Executive Officer of Labor Smart) and Plaintiff.
- 6. I was, before and after the November 7, 2022 meeting of the Board of Directors of Labor Smart, Inc., the CEO and a director of Takeover Industries, Inc. ("Takeover or the

24

28

"company"), as well as a director of Takeover's parent company Labor Smart, Inc., until I resigned April 17, 2023, replaced by Thomas Zarro.

- 7. Even though Jason Tucker was invited to the November 7, 2022 Board Meeting, he did not attend the meeting. As a result, the Resolution of the Labor Smart, Inc., Board of Directors including Michael Holley, and I was issued. See Exhibit B to Defendant's Opposition to Motion for Partial Summary Judgment filed concurrently herewith.
- 8. Joseph Pavlik attended the November 7, 2022 Board Meeting "given the dispute in the Lawsuit and Joseph Pavlik's vote at the December 2021 Meeting (when Pavlik was a director), he was invited to attend and participate in the November 7, 2022 meeting and although not a director of the Company, indicate what his vote would be were he a Director." See Exhibit B, p. 3.
- 9. Plaintiff Deppoleto was invited to attend the November 7, 2022 meeting, but he did not attend.
- 10. In my work for Takeover from January 2021 until April 17, 2023, I furthered the business through sponsorships and connections with athletes and others in the industry.
- Although I am not an employee, officer or director of Defendant NextGen 11. Beverages, LLC, in my opinion NextGen Beverages, LLC, is not competing with Takeover because the two companies produced different products.
- Attached hereto as Exhibit A is a true and complete copy of Takeover's Minutes 12. of Special Meeting of Board of Directors dated December 28, 2021.
- Attached hereto as Exhibit B is a true and complete copy of the November 7. 13. 2022 Resolution of the Board of Directors of Labor Smart Inc., including the November 7, 2022 Written Consent Board of Directors of Takeover Industries, Inc.

14.I have 30+ years of experience in the beverage industry, working behind at least four major brands of performance waters, iced teas, and similar beverages, which have been sold throughout the nation.

I declare under penalty of perjury that the foregoing is true and correct and if called upon as a witness I could and would competently testify thereto.

Dated this 31st day of January 2025.

- 3. I have worked in the beverage industry since 1994, accumulating 30 years of experience launching and developing successful beverage brands.
- 4. In early 2021, as Chief Operating Officer, I launched Takeover Industries of which I am one of the larger Creditors and also the personal Guarantor of the company credit cards. The company achieved immediate success with our hydrogen water product, generating approximately \$500,000 in revenue during our first weekend of launch.
- 5. In April 2021, Takeover engaged Jason Tucker as a consultant to assist with contract negotiations and intellectual property matters. Tucker represented himself as having expertise in negotiations and claimed prior work experience with federal agencies. These credentials were later discovered to be false.
- 6. Between April and October 2021, I repeatedly addressed concerns with Tucker regarding his conduct, particularly his treatment of team members which was negatively affecting company operations.
 - 7.I have personal knowledge that Tucker manipulated a situation involving Joe Pavlik, presenting false evidence to myself and Toby McBride that resulted in Pavlik losing his shares, which Tucker then acquired.

- 8. Attached to Defendants' Opposition to Plaintiff's Motion for Summary Judgment as Exhibits H, I, L, M, and N are true and correct copies of documents contained in the Takeover computer files I reviewed after the Board of Directors as reconstituted November 7, 2022, gained access to these Company records including email(s) correspondence, presentation plans, marketing plans and other documents unknown to me prior to December 2022.
- 9. In October 2021, while I was hospitalized with Covid-19, Tucker made false accusations about me misappropriating company funds. Though I was later exonerated and reached a settlement with Takeover. Tucker used my absence to gain sole control over company bank accounts and credit cards.
- 10. In May 2022, during my forced absence, Tucker executed the first of three convertible note agreements with James Deppoleto without proper board authorization.
- 11. Based on my direct knowledge of the alleged 2022 agreements, these convertible notes contained terms that placed Takeover in technical default from the moment of execution.
- 12. In November 2022, after my return to the company, we discovered through company communications that Tucker and Deppoleto were engaged in unauthorized negotiations with 5-hour Energy for their personal benefit.
- 13. Takeover did not receive any type of refund from Great Northern Company for monies paid by Deppoleto.

months before Takeover did. They filed an action with the trademark commission and later a lawsuit against Takeover.

- 19. Through our efforts with NextGen, we made the stock tradeable, enabling Deppoleto to potentially realize value from approximately 400 million shares he possessed. Today these shares were trading @.0018 which is a value of \$720,000.00.
- 20. I have read Defendants' Opposition to Plaintiff's Motion for Partial Summary Judgment and hereby confirm that the facts set forth in the Opposition are true and correct to the best of my knowledge other than the information I confirm based on my information and belief.

I declare under penalty of perjury that the foregoing is true and correct and if called upon as a witness I could and would competently testify thereto.

set forth in this Declaration and will testify if called to do so, except those matters which are based upon my information and belief in this matter.

I have been self-employed, since 2005, through Flexus, LLC, and I have provided consulting services and work for Takeover Industries, Inc., ("Takeover") since on or about January 2021 and LOCK'DIN OR NextGen Beverage, LLC, ("NextGen") since June 2023.

Toby McBride, Michael Holley and I founded Takeover Industries, Inc., ("Takeover") in January 2021. The scope of my work primarily consists, and consisted of, creating formulas, intellectual property of the products, assisting with education, sales, and distribution, which was required to help the company market and sell its products.

Two Takeover products were sold under the brand name NXT LVL: 1-Hydrogen water: and 2- A two-ounce energy shot known as a Gamer shot. Those were the only two products sold under the brand name NXT LVL through Takeover.

In 2021 I served as the Chief Science Officer ("CSO") of Takeover creating the formulas or recipes for the two-ounce energy shot known as a Gamer shot and the Hydrogen water products. During this period of time I also served as CEO of Labor Smart (also known as LTNC) the parent company of Takeover.

I resigned my CSO position from Takeover in September of 2021 because of harassment by Jason Tucker ("Tucker"). At that time I also resigned as CEO of Labor Smart.

In March 2021, Labor Smart purchased Takeover, issuing a total of 6 billion shares, 2 billion shares each to Toby McBride, Mike Holley and me.

In January 2022, I was asked to rejoin the company by Toby McBride("McBride") after Mike Holley ("Holley") was allegedly removed as an officer and director of Takeover in December 2021.

On April 28, 2022, at a Professional Fighters League ("PFL") event in Dallas, Texas, Plaintiff James Deppoleto, Jr. ("Plaintiff") was introduced to me and Toby McBride by Plaintiff's cousin and PFL fighter Anthony Pettis. At that time I first discussed with Plaintiff the science, innovation and benefits about Takeover's products hydrogen infused spring water and the Gamer shot.

In May 2022, on a call with McBride, Jason Tucker verbally forced me to return 1.8 billion of my shares in Takeover back to Takeover, to help payback investors they oversold shares in the company, stating that if I would not comply then there will be no company. I was promised that these 1.8 billion shares would be given back to me. However, these 1.8 billion shares were never returned to me, nor was there any financial compensation of any amount exchanged for this.

In or about May 2022, Toby McBride introduced Jason Tucker to Plaintiff. Thereafter, in May 2022, based on my information and belief, Jason Tucker and Plaintiff met for a couple of days in Puerto Vallarta, Mexico regarding Takeover.

On or about May 25, 2022, Jason Tucker, as president of Takeover, and Michael Costello, as chief executive officer of Labor Smart, signed a Convertible Note Purchase Agreement with Plaintiff whereby Plaintiff agreed to invest \$500,000.00 in Takeover and participate in good faith with his obligations as an investor in Takeover.

On or about June 24, 2022, Plaintiff, Tucker, McBride and I planned to attend another PFL event in Atlanta, Georgia. However, Plaintiff and Tucker avoided meeting with McBride and me and, unknown to me at that time, Plaintiff and Tucker went to a meeting with T-Pain, a famous rapper and would-be promoter of Takeover products.

On or around July of 2022, Tucker informed the founders that there would no longer be weekly company team calls, and that Tucker would be handling all calls "one on one" with each individual.

Later it was discovered via email history, that the weekly company Zoom team calls were still indeed being conducted with Depoletto, but without the founders McBride and Pavlik During this time Depoletto and Tucker, continued to operate separate of the company with the remaining team in concert.

On or about the first week of October 2022, the company was set to attend the NACS tradeshow in Las Vegas. I notified Tucker that I would like to attend the NACS event, and I was told that only Mike Costello and Takeover salesman Mike Tzanetatos ("Mike T") would be attending the show and that no one else would be attending.

A few days later a photo was posted on Twitter of Tucker, Plaintiff, Costello and Tzanatatos at the show receiving an award for Gamer Shot. When I called Tucker to inquire about their attendance he said "it was a last minute decision".

After gaining access to Takeover's company records, including emails, (December 2022) we found out that there was a private meeting at the October 2022 NACS Show in Las Vegas with representatives of Living Essentials, the parent company of 5-Hour Energy. At this meeting attended by Plaintiff, Tucker, Costello and Mike T, Tucker presented a co-op joint venture business plan (see Exhibit H, DEF01113 to DEF01135 identified pursuant to a Motion to Seal filed in concert with Defendant's Opposition and Response to Motion for Partial Summary Judgment) without the knowledge of the founders NOR ALL DIRECTORS AT THAT TIME. These documents were discovered in December 2022, when we (McBride and Holley and I) regained access to some of Takeover's emails and other Company documents. I hereby confirm that the documents labeled DEF01113 to DEF01135 proposed in Exhibit H to Defendants' Opposition and Response to Motion for Partial Summary Judgment are true and accurate copies of these documents.

While they were at the NACS show I reached out to Plaintiff directly to have a discussion. He responded back by asking me to schedule a call time and an provide an agenda for the call, which I did. In preparing this Declaration I discovered the October 7, 2022 letter I prepared and sent to him regarding a list of eight "Brief Items to Touch on for Discussion." See Exhibit L. October 7, 2022 letter labeled DEF01459. Also, in preparing this Declaration I discovered a four-page marketing plan for a "NXT LVL Energy Drink" to a "Partnership with Shaquille O'Neal" which states: "Introduce and promote Shaq's NXT LVL Gamer Energy Drink at Trade Shows & trade publications in Q4 2022." See Exhibit M, DEF01459 to 01462. These documents include a page titled "Appearances and Social Media on Behalf of NXT LVL Energy Drink. Under the list of Appearance on this page it reads: "Appearances: -NACS Convention and Trade Show, -Rewired Fest for Wal-Mart; -7-11 National Franchisee Show; -Visit National Retailer HQ to meet buyers and CEO secure agreements/partnerships; - Will call CEO's of national retailers to request that they bring in Shaq's NXT LVL Energy Drink." See Exhibit M, DEF01460.

On October 7th 2022, when I asked about Deppoleto's attendance at the NACA show in Las Vegas, he said it was a "last minute decision". It is my understanding based on my review of Company records that the meeting with Living Essentials/5 Hour was set in advance, however this was not disclosed to me. See Exhibit M, DEF01460.

On or about October 10th 2022, I had a call with Tucker, and detecting more inconsistencies and secrecy for reasons related to the last-minute attendance of the show, I sensed something was not right. I was also told that I have a choice to either join their side or I would be included (or "Strapped to the Titanic" as he phrased) in the forthcoming complaints against McBride and Holley.

I received notice of the Labor Smart Board Meeting to be held on November 7, 2022. Although I requested that Ms. Manolio attend the meeting as Takeover's counsel, she informed me that she would not be attending. I did attend and vote on the Board Resolutions at that meeting which are set forth in the "Resolution of the Board of Directors of Labor Smart, Inc." and the Written Consent of Takeover Board of Directors, dated November 7, 2022.

I have read Defendants' Opposition to Plaintiff's Motion for Summary and hereby confirm the truth and validity of the facts set forth therein including the exhibits.

I declare under penalty of perjury that the foregoing is true and correct and if called upon as a witness I could and would competently testify thereto.

- 2. I am a self-employed entrepreneur, and I made a \$300,000 investment in Takeover Industries. Inc. in June of 2021. I was informed and do believe that I was the first monetary investor in Takeover Industries. My loan document signed by the company expressly stated: No additional debt was allowed without my consent. I was not involved in the operations or management of the Company at that time.
- 3. I am currently owed by Takeover Industries approximately \$175,000.00.
- 4. Toby McBride, Joe Pavlik, and Jason Tucker would occasionally keep me up to date on the progress of the Company. I was told by Tucker that they were working to bring the Company current so that it could be publicly traded. I was led to believe Deppoleto was part of management of the Company by Tucker.
- 5. I became aware that the principals of the Company were having personality conflicts. To protect my investment, I offered my services as a skilled negotiator to assist in a resolution so that the company could move forward. More importantly than protecting my investment, I wanted to protect the 50,000 plus shareholders.
- 6. The Company had a board meeting on November 7, 2022, and removed Jason Tucker from his positions at Takeover due to gross misconduct by him based on my information and belief.
- 7. Tucker was ordered by Board resolution to relinquish control of the bank accounts by November 7, 2022. Based on my information and belief, Tucker refused to hand over control of the Takeover bank accounts and had access up until mid-December of 2022. Based on my information and belief, when the accounts were regained by

- 8. On April 17, 2023, I became an officer and director of Takeover, when Toby McBride resigned. I uncovered that the Company was being badly mismanaged by Jason Tucker and Deppoleto. I reached out to vendors and suppliers, as they refused to do business with Takeover any longer because of issues with Tucker and Deppoleto.
- 9. Based on my information and belief Tucker and Deppoleto wanted to take the Company private, and wanted to move forward with the private entity with the product known as the "gamer shot." The other principals wanted to keep the Company public and move forward with the hydrogen water.
- 10. I became aware through dealing with the supplier, Faith Springs, that Tucker and Deppoleto threatened suit against Faith Springs for claims of a sulphury smell in one of the water products. Instead of working with the supplier and trying to fix this issue, formal demands were made, and suits were threatened.
- 11. Because of the mismanagement by Tucker, Takeover became mired in multiple litigations. There was no product being produced and no revenue. After consulting with counsel, it was decided the only way to save the parent company, Labor Smart Inc.'s ownership and creditors (of which I am and remain unpaid) of Takeover, was to make a wholly owned subsidiary with a new line of beverages.
- 12. I became CEO of Labor Smart in April of 2023, and we voted to set up the Company, Next Gen Beverages on June 14, 2023. Due to Tucker and Deppoleto's

1	malfeasance, Next Gen had to pay to get new trademarks, new formulations, new
2	brands, and a new website. No assets from Takeover Industry were used to
ີ່ວ	establish Next Gen Beverages or used in the purchase of its assets.
4 5	13. Next Gen Beverages was necessary because Tucker and his associates controlled
6	and refused to turn over access to the following of Takeover's:
7	a. The Company Bank Accounts
8	b. The Shopify Account
9	c. Amazon
0	d. eBay
)	e. Gamershot URL and other websites purchased by Tucker. Tucker has made
2	claims that the Tucker's own these, and they are not the property of
4	Takeover, however Bank records show payment towards the URL.
5	·
6	f. QuickBooks Access and the financial records.
7	g. All social media accounts
8.	h. All business platforms necessary in the ordinary course of business
9	14. Further, Tucker and Deppoleto's mismanagement caused Takeover to suffer the
20	following major business setbacks:
12	a. Loss of the NXTL LVL trademark
13	b. Demands from multiple vendors for amounts in excess of a million dollars.
:4	c. Lost potential investors due to all the pending litigation
1.5	15. I bought the remaining product from Takeover at higher than cost at a substantial
16	loss to myself. Takeover was un-investible and, in an attempt to protect new money
27 28	and save Takeover, the inventory was purchased to help the company. Takeover was
	4

not able to get the product distributed, the only other offers to purchase were pennies on the dollar and there is a shelf-life to the product. I still am in possession of the bulk of the product, as I was also unable to sell it. We tried to sell it for the benefit of Takeover, and we received a cease and desist from Deppoleto.

- 16. I met with the accountants engaged by Tucker, ostensibly to bring the Company current. The accountants informed me that Tucker had done none of the things necessary for the Company to be compliant. That is why I re-engaged them, and we all worked together to bring the Company current.
- 17. I met with Takeover suppliers and manufacturers, flying to meet them at my own expense. I was able to negotiate older invoices.
- 18. We have established a new board of directors for LTNC, including world renowned boxing Legend and philanthropist Manny Pacquiao, we have all undergone a strict and thorough background check which has allowed us to hire a securities Company to sponsor us for the filing of a 15(c)(211) which will enhance our global trading. Currently we are publicly traded in the United States. None of these things were done under Tucker and Deppoleto management, once again proving they had no intension of protecting the shareholders.
- 19. My only goal in being involved was to protect Labor Smart, Inc., the shareholders. my previous investment and now my much larger current investment. Mike Holley, Joe Pavlik, and Toby McBride were eager to work to bring the Company current and build a sustainable business which we were able to do in the beginning of 2024.

- this is the third Whereas paragraph under Recitals, it
- 2 says: Whereas the purchaser desires to provide for
- 3 additional capital to the company for operating
- 4 expenses of \$500,000
- What were the operating expenses that you were
- 6 providing additional capital for to Takeover?
- A Idon't Idon't recall specifically what
- 8 they were. We just wanted them to be for the
- 9 day-to-day operation of business, but we couldn't
- 10 dictate that other than what our note stated.
- Q You say day-to-day operation of business.
- 12 What is your understanding of that?
- A To me it would be regular business activities, 13
- 14 nothing fluffy. It had to go towards stuff that was
- actual business operations.
- Q What was your understanding of Toby McBride's 16
- 17 role at Takeover at the time that you signed the Second
- 18 Amendment to the Convertible Note Purchase Agreement
- reflected here as Exhibit 6?
- 20 I don't know what his title was at any given
- 21 time.
- 22 What was his role at the company at that time? Ο
- 23 Again, another guy listed as president.
- So when you say another guy listed as
- president, you met with Mr. McBride in April of 2022 in Page 61 25
- 1 Dallas at the PFL event; correct?
- I believe so, yes.
- What was the nature of your conversation with
- 4 Mr. McBride at that time?
- He was pitching fluffy dreams.
- Q And you invested in these fluffy dreams?
- A No. I dug a little further and felt like
- 8 there was Tucker seemed to be a guy that, you know,
- 9 got along with them that understood the nature of
- 10 business.
- Have you ever invested in other companies 7.7 Ω
- 12 besides Takeover Industries?
- Small investments maybe here and there with
- 14 some companies, but nothing to this nature.
- Q When you invested with Takeover Industries or
- 16 contributed, and it says here in Exhibit 6 keep the
- 17 highlight on that paragraph, please under Recitals:
- 18 Whereas, the purchaser desires to provide additional
- 19 capital for operating expenses in the amount of
- 20 \$500,000.
- 21 And that's the third \$500,000 payment you
- 22 made: correct?
- Yes.
- When you made these payments to Takeover did
- 25 you understand that there was a risk, that you might

- 1 not have a return on your payment of \$1.5 million?
- MR. HARVEY: Objection. Vague.
- Go ahead.
- THE WITNESS: Again, I don't quite understand
- 5 the guestion.
- 6 BY MR, BENNION:
- Q So when you paid three payments of \$500,000
- 8 each in May, July and in August of 2022, did you
- 9 understand there was a risk that you may not have a
- 10 return on your investment?
- MR, HARVEY: Objection, Vague. 1.1
- 12 THE WITNESS: Is it a possibility? Probably.
- 13 But was it a possibility that I could consider?
- 14 Probably.
- 15 BY MR. BENNION:
- Q That you may not that you might lose the
- 27 \$1.5 million?
- A No. I didn't think that at all during the
- 19 time, no. Everything seemed viable and everything
- 20 seemed that they would request each time and that was
- 21 the reason for the third tranche. They needed working
- Q For operating expenses; correct?
- 24 A | believe so, yes.
- Did you monitor those operating expenses after Page 63 25

- 1 you made these payments to the company, the first,
- 2 second and third \$500,000 payments?
- A We would call in and check and try to keep our
- 4 thumb out of it as much as possible, but it's worth
- 5 listening to people's words other than anything else.
- 6 I believe we had a stipulation in there as well in the
- 7 agreement that they could only use 10 percent for
- 8 salaries. We wanted the remainder being used as
- 9 working capital.
- Q Do you know who was paid salaries during this
- period of time, let's say, from May through September
- 12 of 2022 at Takeover Industries?
- A I do not.
- Do you know if Jacob or Jason and Melissa
- 15 Tucker were receiving salaries from Takeover Industries
- 16 during this period of time?
- A I do not know that.
- Did you receive any reports as to who was
- 19 receiving salaries?
- 20 I did not
- Did you ask for reports from Takeover
- 22 Industries as to who was receiving salaries during this
- 23 period of time in or about the summer of 2022?

25 for any reports, but it's possible.

- A I don't recall that I don't remember asking
 - Page 64

- And in asking for reports from Takeover
- 2 Industries, did you ever email either Mr. Tucker or
- 3 Mr. McBride with respect to who was receiving salaries
- 4 from Takeover Industries during this period of time?
- A So I just stated that I'm unaware of those
- € salaries. So I don't know what they were using the
- 7 money for. I did not have access or day-to-day I
- § wasn't involved in day-to-day operations. I wanted to
- 9 protect my money.
- And wanting to protect your money, did you
- 11 send emails to either Mr. Tucker or Mr. McBride during
- 12 this period of time from May through August of 2022 as
- 13 to who was receiving salaries at Takeover Industries?
- A I don't recall that.
- Do you recall sending any emails to Takeover
- 16 Industries during this period of time, May to August of
- 18 A I don't recall sending those, but I'm assuming
- 19 there was some communication.
- In writing? 20
- 21 Possibly. [don't feel like I had very many
- 22 communications with McBride or Pavlik.
- Q Do you recall the last time you spoke to Toby

- 13 THE WITNESS: Yes. I believe that every

- Q You invested with the company a month after

- A Correct. Or I don't know the timing, but yes,

- Q Why did you pay Takeover Industries

- 10 THE WITNESS: Generally, we made that

- 2 something else. I just want to clarify. I apologize

- MR. BENNION: Thank you,
- 5 BY MR, BENNION:
- Q Now, let's go to Interrogatory No. 3 down a
- 7 little farther. Interrogatory No. 3 says: Describe in
- 8 detail your relationship with Jason Tucker, including
- 9 how long you have known him, when you first met, the
- 20 circumstances of your meeting, and the nature of your
- 11 relationship.
- 12 Response: Plaintiff objects to Interrogatory
- 13 No. 3 because of the circumstances of your meeting and
- 14 the nature of your relationship are undefined, vague
- 15 and ambiguous.
- Skipping ahead a sentence it says: Subject to 16
- 27 and without waiving said objections, Plaintiff states
- 18 that he met Mr. Tucker in November or December of 2021
- 19 through Plaintiff's involvement with Takeover. The
- 20 parties' relationship was limited to an arms-length,
- 21 professional relationship.
- 22 Did I read that correctly?
- 23 A Yes.
- Q So you met Mr. Tucker in November or December
- 25 of 2021, not April 2022; correct?

- A I spoke to him then. I met him in the April
- 2 time frame.
- Q And what gave rise to your conversation via
- 4 phone with Mr. Tucker in 2021?
- They were really was a spinoff of having
- 6 conversations with my cousin. I believe they were
- asking him to be some kind of influencer and then
- E offered him an ability to buy-in for some shares of the
- 9 company. That was the initial,
- Q And how many times did you speak with
- 11 Mr. Tucker in November or December 2021?
- Maybe once. I believe my cousin did most -
- 13 was handling most of it in the beginning.
- Are you talking about Mr. Pettis?
- 15 A Correct
- 16 Q It says: The parties' relationship was
- 17 limited to an arms-length, professional relationship.
- What was the professional relationship?
- A I was an investor. This guy is not my friend.
- 20 He is a guy I was doing business with and I would use
- 21 that moniker for all these guys. None of these guys
- 22' are my friends. I was here doing business with them.
- Q You testified previously that you invested in
- 24 other companies, but in lesser amounts than your
- 25 payments to Takeover; is that correct? Page 73
- Page 75
- A | believe | said if | did it was smaller
- 2 amounts to different smaller companies, potentially. I
- 3 cannot recall them.
- Q Which companies -
- A I cannot recall them.
- Was your investment in these companies before
- 7 or after your investment in Takeover?
- A It would be before.
- Okay. Let's go further down to Interrogatory
- 10 No. 6 in Exhibit 7. These are Plaintiff's Answers to
- 11 Interrogatories. It says in Interrogatory No. 6:
- 12 Explain in detail the factual basis for your
- 13 allegations in paragraph 72 of your amended complaint
- 14 that Defendants shared and/or transferred Takeover's
- 15 proprietary information, trade secrets, inventory,
- 16 product ingredients, and other assets with NextGen
- 1.8 Did I read that correctly?
- Yes
- Q So what is your basis for stating that
- 21 Defendants transferred Takeover's proprietary
- 22 information and specifically product ingredients with
- 23 NextGen Beverages?
- MR. HARVEY: Objection. Vague as to time as
- 25 to whether you mean when he signed this or today?

James V. Deppoleto, Jr. - 12/5/2024 James V. Deppoleto, Jr. vs. Takeover industries, Inc., et al.

I puestion about Joe Pavlik, who is on the call. He's a Do you know what Toby McBride's involvement 2 Defendant in this case. Is this you Joe, you're a 2 with Takeover Industries was on October 13, 2022? Defendant in this case? A Ido not MR. PAVLIK: Yes. I'm just listening in on Q So let's go to Exhibit 8. This is another 5 mute. 5 receipt from Great Northern Corporation. MR. BENNION: Okay. Do you see that? MR. HARVEY: I don't mean to be picky, but -Yes ε so he just spoke through Zoom, my question was about Dated November 4, 2022; correct? 0 5 the person who joined recently under the phone number Ā 10-216-970-8229. Mr. Pavfik, is that your phone number? This appears to be on your American Express MR. PAVLIK: Yeah. I had to run out to the 11 Card again; is that correct? 12 drugstore to pick up a prescription. 10 Yes. A MR. HARVEY: That's fine. Thank you for 1.3 0 For \$128,924.62; correct? 14 clarifying MR. PAVLIK: You got it. Q So the same question with respect to Exhibit 8 15 16 BY MR. BENNION 16 as Exhibit 9, is there any difference in your answer? Q Let's go to Exhibit 6. We skipped this 17 I can go back through them individually if you'd like, 18 before 18 but -So Mr. Deppoleto, can you see Exhibit 6, which 50 A It's the same bill - or it's a different 20 is the Second Amendment to Convertible Note Purchase 20 bill, but again, it totaled up to 480-some thousand 21 Agreement? 21 dollars, I believe, total. 22 Q Okay. And you don't recall who specifically 22 MR. HARVEY: I think we did this one before 23 authorized you at Takeover Industries to make this 24 because I wrote it down. 24 payment reflected in Exhibit 8; correct? THE WITNESS: We did the second note, third Page 103 MR. HARVEY: Objection. Vague as to 25 Page 101 1 note and first note. 1 authorized. MR. HARVEY: You did bring it up before. Go ahead. 2 MR. BENNION: I did ask questions about it. THE WITNESS: Again, they were requesting the Barbara, have we used this exhibit before? 4 500,000 and this is where my 500,000 went. EXHIBIT TECH: I can tell you from my history, 5 BY MR. BENNION: 6 Counsel, I did bring it up. Q Okay, So -7 BY MR. BENNION: A I no longer felt comfortable giving them Q All right. Let's be very brief about this. 8 money. I wasn't confident in any of those guys at that 9 Referenced it briefly previously. So Mr. Deppoleto, trying to streamline this -10 Q So they were requesting, but once again, 3.0 MR. BENNION: If you can go down to the bottom 11 that's a reference to the company, not to individuals? 12 of the page, Daniel, to show Mr. Deppoleto Exhibit 6. A Correct 13 BY MR. BENNION: Q Okay. 13 Q Do you see that, Mr. Deppoleto? MR. BENNION: We'd simply request production 14 15 of any additional documents that as Mr. Deppoleto said Have you seen this Second Amendment to 16 previously that may exist that Quintec or personally 27 Convertible Note Purchase Agreement previously? 17 with respect to these two receipts, which are reflected 3.6 A Yes. 18 in Exhibits 8 and 9. Q Okay, And I don't believe I asked you this MR. HARVEY: I believe we've produced 19 20 question about Exhibit 6 before, but under the 20 everything that we have. 21 Recitals, paragraph 3 - let's go to paragraph 2 - no, MR. BENNION: Okay. Duly noted 21 22 we're just going to go to paragraph 3 - no. Let's take about a 10-minute break here. Off 22 MR. BENNION: I'm sorry, Daniel, go back into 23 the record. 24 the Whereas. 24 (Recess taken.)

25

MR. BENNION: During the break Patrick had a

EXHIBIT TECH: That's what we've covered. You Page 104

James V. Deppoleto, Jr. - 12/5/2024 James V. Deppoleto, Jr. vs. Takeover Industries, Inc., et al

- 1 covered page 1 and page 4, in case you need reference. MR. BENNION: Thank you. BY MR. BENNION:
- Q So this says, again, Mr. Deppoleto, Whereas 5 paragraph 3, on page 1 of Exhibit 6: Whereas the
- 6 Purchaser desires to provide additional capital to the
- 7 company for operating expenses in the amount of
- 8 \$500,000 (the Additional Note Consideration).
- Did you ever is that correct, did I read
- 10 that correctly?
- A Yes. 11
- Q Did you ever receive a report from Jason
- 33 Tucker at Takeover Industries as to how these operating
- expenses were being used?
- A I don't recall. It's possible. It's also
- 16 possible it wasn't so I'm not sure.
- Q Do you recall receiving a report about how the
- 18 operating expenses were being used by anyone other than
- 19 Jason Tucker at Takeover, such as Toby McBride or Joe
- 20 Pavlik?
- A As I said, I don't recall any of a specific 21
- 22 individual.
- Q And you don't recall receiving a report
- 24 regarding how your additional capital for the company
- 25 for operating expenses -

- And you didn't receive even annual reports or
- 2 let's say a quarterly report?
 - I don't believe they produced any quarterly or
- 4 yearly reports, as far as I know.
- Did you ask for any such reports?
- A I don't believe so. But again, we were
- ? monitoring our money. We wanted to make sure that it
- 8 was being used for operating, but I don't know that we
- 9 requested anything in that regard. We just hit that
- 10 point home.
- Q. When you testified that you're monitoring your
- 12 money, what does that mean?
- A Just calling and inquiring: How's business?
- 14 How are things going? How are sales?
- Again, we're investing in a business. We're
- 16 hoping that they do well. And everything pointed to
- 17 the direction that they looked like they were doing
- 18 well.

Page 105

- Q Have you ever lost money as an investor of a
- 20 company either before or after the payment of your
- 21 monies to Takeover?
- A No. I don't believe there's anything that
- 23 would show a loss, no.
- Q I'm trying to wrap it up here, but I need
- 25 30 seconds to gather my notes.

Page 107

- The only thing I could see that relating to is
- 2' the fact that, again, we put a percentage that we only
- 3 wanted to be used for salaries at 10 percent and I
- 4 think the remainder had to be used for all operating
- 5 expenses, whatever they were. So I don't remember
- 6 calling for a list because I don't know that I needed a
- 7 list. They could only do 10 percent for salaries and
- 8 the remainder had to go to operating expenses.
- Q So when you issued your when your attorneys
- 10 wrote the notice of default letter dated November 12,
- 11 2022, do you know how much money Takeover Industries
- 12 had in its account on or about November 8, 2022?
- A No. I'm sorry, I do not.
- Q Did you ever request reports from anybody at
- 15 Takeover Industries with regard to the status of the
- 16 money in Takeover Industries' accounts during the time
- 17 that you from May 25, 2022, through November 8,
- 18 2022, that Takeover had in its possession?
- A Say that again. I'm sorry, I missed that
- 20 first part.
- Q Sure. We were talking a minute ago about you
- 22 didn't ask for reports with respect to how much money
- 23 was being used by Takeover Industries for operating
- 24 expenses, say, on a monthly basis; correct?
- A Correct.

- You testified previously, Mr. Deppoleto, that
- 2 you didn't meet Mike Holley until, I believe, you were
- 3 at a hearing in the case in Arizona; is that correct?
- A I believe that's correct.
- Q Do you know why Mike Holley was not involved
- 6 in the company, or at least that you didn't meet him
- when you went to these events in April and June of 2022
- 8 in Dallas and Atlanta?
- A I don't know when I heard about it, but I just
- 10 had heard that there was some improprieties that had
- happened or that they had discovered or something and I
- think that included Holley, Pavlik and McBride.
- Q. What were the improprieties that you heard
- 14 about involving Mike Holley?
- A I believe they were stealing money from the
- 16 company.
- 17 And who told you that?
- Tucker, for one. I would say probably Tucker
- was the one who maybe discovered it.
- 20 Jason Tucker?
- 23 Yes.
- 22 And did he tell you how he discovered this
- 23 alleged impropriety?
- A I believe they said their accounting team
- 25 potentially found the improprieties and dug backwards
 Page 108

James V. Deppoleto, Jr. - 12/5/2024 James V. Deppoleto, Jr. vs. Takeover Industries, Inc., et al.

- 2 and found amounts that were missing or gone or 2 something to that nature. Q And you also mentioned Toby McBride and Joe 4 Pavlik. Are you alleging that there were improprieties 5 that Toby McBride - that you were made aware of, when € Mr. McBride was at Takeover?
- A I'm sorry. Restate that again.
- Q Sure. You talked about alleged improprieties
- 9 with Mike Holley, Toby McBride and Joe Pavlik. What
- 10 were these alleged improprieties that you were told of
- 11 about Toby McBride?
- A I believe they were all taking money. Taking 12
- 13 inordinate amounts of money from the investors from the
- 14 start of the business until it ended. Taking
- 15 exorbitant salaries. Basically, they were using the
- 16 checkbook or the company account as a personal
- 17 checkbook, it sounded like. I believe there's records
- 18 to back that up.
- Q Do you know who was authorized to have access
- 20 to the Takeover Industries' bank account from the time
- you first signed the Convertible Note Purchase
- 22 Agreement, May 25, 2022, until November 8, 2022?
- I do not have knowledge of who had access, no.
- Do you know who was authorized to withdrawal
- 25 funds from the Takeover Industries' bank account during Page 109

- And Joe Pavlik, you spoke about Joe Pavlik.
- 2 Did you review any documents or have you seen any
- 3 documents that would indicate that Mr. Paviik, there
- 4 were improprieties in how he used money of Takeover
- 5 Industries?
- A Again, I believe something was produced and I
- 7 believe my attorneys have it, but there's records on
- 8 the bookkeeping that they needed to do showing funds
- 9 that all three of them took.
- Q Are you aware that Takeover Industries had
- 11 audits performed to review the accounting of its books
- in or about 2022?
- MR. HARVEY: Objection. Foundation. Calls
- 14 for speculation and assumes facts not in evidence.
- 15 Go abead
- THE WITNESS: Yeah, I'm not sure about that
- 17 I wouldn't be privy to that, I don't believe.
- 18 BY MR. BENNION:
- Q You were never told that audits were conducted
- 20 by Takeover Industries into the assets or into the
- 21 expenditures and payments to Toby McBride, Joe Pavlik
- and Mike Holley?
- MR. HARVEY: Same objections. Also vague and
- 24 compound.
 - Go ahead.

Page 111

- 1 that period of time?
- A I do not.
- Q Okay. Who provided you with this information
- 4 that you just testified to -
- A | believe Tucker, and | believe | provided
- 6 that information to my attorneys as well with whatever
- 7 documentation we had.
- Do you recall what that documentation is?
- I don't. It's part of the records, but I
- 10 believe it was documenting their theft.
- Q And you referred to Joe Pavilk as well -11
- well, let me go back to Mike Holley for a minute. 12
- Are you aware that Mike Holley was not able to
- 14 be with the company or to operate in the company for a
- 15 period of time in 2022?
- A Again, I don't remember the dates, but I do
- 17 believe that he was somehow axed out in some fashion.
- Q Are you aware that Mike Holley had COVID and
- 19 was hospitalized for COVID during some of that period
- 20 of time in 2022?
- 21 I'm not aware of anything with Mike Holley,
- 22 na.
- Q You're not aware of anything about him being 23
- 24 hospitalized for COVID?
- A No. No.

- THE WITNESS: I was under the understanding 2 that was needed to be done in order to become
- 3 tradeable, if that makes sense. So I believe they had
- 4 accounting firms or something trying to get them
- 5 current to trade or whatnot. So I believe that's how
- 6 they discovered those things.
- 7 BY MR. BENNION:
- O Do you know if Takeover Industries filed tax
- 9 returns while Jason Tucker was president of Takeover
- 0 Industries?
- A I would not know that, I don't know.
- Q Did you ever request that information such as
- 13 tax returns?
- A We did not, no.
- Q Do you know how much money Takeover Industries
- had left in its account and/or bank accounts when you
- left the company or you issued your first Notice of
- Default November 8, 2022?
- A I do not know that.
- Q Did you ever receive records of any Takeover
- 21 Industries' bank accounts?
- 22 A I'm not certain. I don't believe so, but I'm
- 23 not sure.
- 24 Q You don't recall?
- A I don't recall, no

- Defendant Holley and Mr. McBride worked with a well-known fitness and nutrition advocate, Joseph Pavlik, who was also an Officer and on the Board Takeover and an Officer of Labor Smart.
- Defendant Holley, along with Mr. Pavlik and Mr. McBride, quickly put together a brand that developed an industry buzz. The flagship products were "NXT LVL" hydrogen-infused water and an energy shot developed by Mr. Pavlik.
- Takeover began to work with Jason Tucker, a branding and business 16. consultant with expertise in licensing, leveraging intellectual property, Internet sales, marketing, and finance. Mr. Tucker saw the potential of Takeover and put his efforts into moving the company forward on all fronts.
- Takeover offered Mr. Tucker an ownership/shareholder interest in the company as payment for his services. By June 10, 2021, the Directors of Takeover held a "Special Meeting" and resolved that:
 - a. The Company would have four Directors: Defendant Holley, Messrs. Tucker and Pavlik, and a gentleman named Toby McBride;
 - b. Mr. Tucker would be appointed as the President of the Company, while Defendant Holley would remain its Treasurer and be appointed as both the Chief Operating Officer and Chief Financial Officer,
 - c. Mr. McBride would act as the Company's Chief Executive Officer and Secretary; and
 - d. The parties would cooperate to fulfill all paperwork requirements necessary to complete these elections and appointments.

- Under this arrangement, Takeover has become remarkably successful. The company immediately secured an endorsement deal with boxing legend Manny Pacquiao and his Manny Pacquiao Foundation and has since secured endorsement deals with Grammy Award-winning artist and professional gamer "T-Pain," and other notables including MMA Champions, NFL players, and various celebrities.
- Takeover's online store is active. The NXT LVL beverage product line (which includes hydrogen-infused water products and 2 oz. "Gamer Shots" that have proven to be very popular and, at times, sold out), are among the highest rated beverage products for their respective categories on Amazon.com, and the Takeover online store continues to generate substantial sales with little advertising.
 - Takeover has also:
 - a. Secured retail commitments to place its products on the shelves of over 10,000 stores in 2022;
 - b. Entered into exclusive manufacturing deals to source its products; and
 - c. Entered into substantial endorsement deals to promote its products, including the "Official Water of the Professional Fighters League" (PFL).
- Takeover has retained experts in beverage sales, marketing, and an 21. established public relations firm to further promote the NXT LVL products.
- Defendant Holley hired Defendant David Eisenberg to assist with 22. accounting/bookkeeping functions during the company's growth.
- Although Takeover had only begun in or about February 2021, by the time it attended the National Advancing Convenience Store ("NACS") industry trade show in October 2021, Takeover's NXT LVL Hydrogen Water was awarded the CSP Best New Beverage Product (beating Smartwater+, a Coca-Cola® product, and other brands).
- 24. As Takeover was skyrocketing, the four principals unanimously agreed that they would not distribute profits to any of them unless distributions were made evenly and with unanimous consent. The goal was to continue growing Takeover and its brands.

- 25. At the same time. Takeover was updating the books and accounting of its parent company, Labor Smart. Labor Smart had been subjected to speculation among OTC "day traders" who often buy and sell large volumes of penuy stocks in short periods of time because of the spike/growth in Takeover, which obviously affected Labor Smart's pricing and value.
- Despite efforts to bring the Labor Smart books current, it became apparent that Takeover would need to "spin off" from Labor Smart and operate under its own stock ticker. Mr. Tucker began to oversee the spinoff process, and he (for Takeover) retained the services of third-party Accounting and Legal professionals who specialized in this type of business transaction.
- In September and October 2021, vendors began expressing frustrations to Mr. Tucker (and others) about Takeover's late payment(s) or non-payments of outstanding invoices/commitments.
 - By October 2021, Defendant Holley became ill and was hospitalized.
- Officers/Directors Tucker and McBride requested that Defendant Holley provide access to the Takeover bank account(s) so that the bills could be paid/outstanding issues could be resolved.
- Defendant Holley was the only Takeover officer/director with access to the bank account(s); Defendant Eisenberg could view the accounts/statements. but only Defendant Holley could manage the funds and/or access the monies. Nonetheless, Defendant Holley denied any other Takeover officers/directors to have direct access.
- Defendant Holley instructed Defendant Eisenberg to "share information" with the others but not to grant access or control, despite Defendant Holley's hospitalization and incapacity.
- Mr. Tucker requested .pdf copies of all bank records, which Mr. Tucker then provided to the companies' outside Accountant for review.

9

24 25

- The records revealed that Defendant Holley had been making significant 33. distributions to himself without any authorization, and Defendant Holley had apparently "hired" his own daughter (Courtney Holley) and was paying her from Takeover funds.
- Mr. Tucker reported the initial findings and then engaged General Counsel and the Accountant to conduct further review. This review revealed:
 - a. Defendant Holley authorized over \$750,000 in distributions without obtaining Board Approval. Some of those distributions may have been acceptable, but they were done clandestinely and with less than full Board Approval;
 - b. Distributions were not made evenly, as the owners had agreed;
 - c. Defendant Holley distributed \$51,500 to One Elite Sports, LLC, an entity that is controlled/owned by Defendant Holley;
 - d. Defendant Holley (and/or Eisenberg) failed to enter certain debts/income into the accounting records;
 - e. Third parties were paid without any invoices or documentation;
 - f. Vendors and third-party sponsorship partners were not paid; and
 - g. Distributions authorized by Holley were not properly taxed or reported for tax accounting purposes.
- Takeover hired an outside law firm to conduct an independent investigation 35. and learned that Defendant Holley had committed several tortions acts and that Defendant Eisenberg either aided and abetted or facilitated these wrongs by failure to report known issues to the company.
- In December, the Board of Directors conducted a "Special Meeting" and 36. voted to: a) remove Defendant Holley from the Board of Directors; and, b) direct Takeover's President (Mr. Tucker) to remove Defendant Holley from the bank account(s) and gain access to the accounts.
- Once Defendant Holley was removed, Takeover's "full access" to the records showed additional discrepancies and misdealing, including:

13

11

25

- a. Defendant Holley had charged tens of thousands of dollars in personal expenses to Takeover, even after the hospitalization (and up until December 2021); and
- b. Defendant Holley had been allowing his family to make personal purchases through Takeover even while he was hospitalized.
- On December 22, 2021, outside legal counsel for Takeover made demand to Holley for repayment of improper amounts and disposition of his stock.
- Takeover also demanded that Defendant Holley return all of the passwords and login information he had in his possession, which gave him access and control to Takeover's banking, its online presence (through domains and purchasing websites), and its emails and shared documents/drives.
- To date, Defendant Holley has refused to return the company passwords or credentials, essentially holding the company "hostage."
- Takeover filed suit against Defendant Holley in the U.S. District Court. Central District of California, Western Division on or about January 5, 2021.
- Takeover also sought injunctive relief in the California matter, arguing that the Company should be granted access to the Company's domain/key accounts to preserve operations of the entity.
 - 43. In response, Defendant Holley:
 - a. Moved to dismiss the California case, arguing that jurisdiction was proper here, in the United States District Court in and for Arizona;
 - b. Argued that injunctive relief was inappropriate because he did not intend to harm the Takeover entity in the future;
 - c. Argued that all of his clandestine activity was justified because he and another Board Member (Mr. McBride) agreed to make distributions without regard to the other officers/directors; and
 - d. Disputed the Board's removal action of him solely based on improper notice.

- Despite the pending action in California, and while that matter was 44. pending, Plaintiff further learned that:
 - a. Defendant Holley (or someone at his direction) has caused the Takeover email/Microsoft Outlook administrator passwords to be changed - making employees/contractors unable to access or make changes to certain company email accounts;
 - b. Defendant Holley has continued paying personal expenses on his company credit card, including a personal storage unit in Cave Creek, Arizona;
 - c. Defendant Holley has continued to receive funds/checks paid to the Company through a mail location/Post Office Box in Cave Creek, Arizona. Defendant Holley has failed to deliver those checks or otherwise "post" the funds to the Company's books;
 - d. Third parties continue to send billing statements/invoices to Defendant Holley and/or other email addresses within the Company, which Plaintiff cannot access (and which causes financial damages to Plaintiff, including past due and delinquency charges); and
 - e. Defendant Holley (or someone acting at his direction) has caused the GoDaddy.com account password to be changed - making employees/ contractors unable to make certain changes to Company-owned domains, including www.takeoverind.com, www.nxtlvlusa.com, and www.nxtlvlglobal.com.
- Plaintiff has now voluntarily dismissed the California lawsuit and re-filed here to avoid any potential argument on personal jurisdiction. This is done in the interest of efficiency and for the benefit of the Company.
- It should be noted that Takeover (through its corporate legal counsel) made a written demand on Defendant Holley on or about December 22, 2021, seeking repayment of a portion of the funds improperly taken from the company. Takeover also demanded Holley return all passwords and login information that he had in possession, allowing the Company to continue performing without interruption. Defendant Holley failed to respond and continually delayed until a lawsuit was filed.

On or about January 7, 2022, Takeover again requested that Defendant Holley at least provide/return the Company's login credentials for www.GoDaddv.com and Microsoft Office account to ensure proper access to the Company domain/accounts. Defendant Holley still refuses to provide equal access.

These acts and omissions have caused Takeover significant financial damages and threaten likely further irreparable harm if the matter is not quickly decided.

COUNT I Breach of Fiduciary Duties

Against Defendants Holley

- Plaintiff incorporates the foregoing paragraphs as if repeated here verbatim. 49.
- As a Director and Officer of Takeover, Defendant Holley owed fiduciary duties to the Company, his fellow Officers/Directors and the Shareholders to (at least) act in good faith in the best interest of the Company, putting aside his own personal gain.
- By taking the acts described above, Defendant Holley has breached his fiduciary duties by, at least: engaging in intentional misconduct and knowing violations of law; placing his personal interests ahead of the Company, his fellow Officers/ Directors, and/or the Company's shareholders; refusing to cooperate in protecting the interest of the Company during independent investigations of misconduct; and, placing the Company/its Shareholders in danger by ignoring the very obvious debts to be paid.
- Defendant Holley made his wrongdoing apparent and further actionable by trying to "hide" behind a technical argument that he was permitted to make personal distributions to himself (intentionally withheld from other Officers/Directors) by only seeking cooperation and involvement from one of four Officers/Directors.
- Defendant Holley committed such egregious acts that he could not be excused by the "Business Judgment Rule" or any similar rule of construction that would allow him to take such actions.

Filed 03/08/22 Page 10 of 14 Case 2:22-ov-00357-JJT Document 1

- Defendant Holley's actions have caused damages to the Company, its 54. shareholders, and the other Officers/Directors in an amount to be proven at trial but, in no event, less than the \$75,000 amount necessary to establish diversity jurisdiction.
- In addition, and because of the intentional nature of this claim, Defendant Holley may be liable for punitive or exemplary damages and/or subject to disgorgement of his shareholder, officer and director positions.

COUNT II

Conversion

Against Defendants Holley

- Plaintiff repeats, re-alleges, and incorporates the foregoing paragraphs as if 56. repeated here verbatim.
- As the Chief Financial Officer, Treasurer and Chief Operating Officer of the Takeover, Defendant Holley was granted access to all finances/accounts/funds of the Company.
- By committing the acts described above, Defendant Holley wrongfully exerted control and dominion over Company property (funds) inconsistent with his rights and deprived the Company, the other Officers/Directors, and/or the Shareholders of their rights, properties, and/or momes.
- Defendant Holley's acts cannot be excused by care, good faith, or lack of knowledge, as he has already submitted sworn testimony (a Declaration under oath) stating that he and another Board Member acted in direct violation of a known Resolution of the Board of Directors of the Company. Defendant Holley has testified that a "technical" variation in the documentation led him to act without authority and to knowingly take funds that were not otherwise authorized or permitted to be taken.

- Defendant Holley's actions since the time the California lawsuit was filed cannot be excused or considered good faith or lack of knowledge because he has intentionally kept himself solely in charge of the Company's domains/emails/post office box. While intentionally failing to allow others' access, Defendant Holley has permitted certain Company debt to remain unpaid and has withheld Company payments received.
- Defendant Holley's actions have caused damages to the Company, its shareholders, and the other Officers/Directors in an amount to be proven at trial but, in no event. less than the \$75,000 amount necessary to establish diversity jurisdiction.
- Even if Defendant Holley were to return the wrongfully-obtained property or otherwise repay his theft/conversion, the return of money would not nullify his acts.
- In addition, and because of the intentional nature of this claim, Defendant Holley may be liable for punitive or exemplary damages and/or subject to disgorgement of his shareholder, officer and director positions.

COUNT III

Unjust Enrichment

Against Defendants Holley

- Plaintiff repeats, re-alleges, and incorporates the foregoing paragraphs as if 64. repeated here verbatim.
- Defendant Holley received benefits, both financial and intangible, from Plaintiff and Plaintiff's work. Defendant Holley has retained benefit(s) far in excess of what was expected that he would receive or be compensated, and it would be inequitable for Defendant Holley to retain the full value of the benefits he took/received.
- Even if no other claim is proved, Plaintiff may recover on a quantum meruit basis for the value of the benefits/monies that Defendant Holley has inequitably retained.

Plaintiff will prove the amount of damage (or quantum meruit recovery) at trial, but the amount should, in no event, be less than the statutory minimum for diversity jurisdiction in this forum.

COUNT IV

Aiding and Abetting Tortious Misconduct

Against Defendants Eisenberg

- Plaintiff repeats, re-alleges, and incorporates the foregoing paragraphs as if 68. repeated here verbatim.
- As described above. Defendant David Eisenberg knew of the relationship between Defendant Holley and the Company/Shareholders as well as Defendant Holley and the other Officers/Directors.
- Defendant Eisenberg was specifically made aware that Defendant Holley was failing to provide relevant bookkeeping information/data for recordkeeping, and Defendant Eisenberg was given specific examples of items (debts) to be added to the books and payments (including distributions) that should not have been made.
- Defendant Eisenberg knowingly participated in further breach(es) by Defendants Holley and/or continued to commit wrongdoing/erroneous bookkeeping despite the breaches, and with knowledge, participation, and/or encouragement to Defendant Holley of the wrongdoing.
- Defendant Eisenberg's actions have further caused damages to the Company, its shareholders, and the other Officers/Directors in an amount to be proven at trial but, in no event, less than the \$75,000 amount necessary to establish diversity jurisdiction.

A I believe Jason Tucker called a meeting to state that he had found some expenses that had to be reported by Mike Holley — Q Did — did the board vote to remove Mr. Holley from the Takeover board of directors at that meeting? A The board did vote to do that, although I originally said I wanted to speak to Mr. Holley about this because it sounded excessive. And at that time — it may have been around 5 minutes to 5:00 — he said, no, there's no time for that; you got to sign the DocuSign in your inbox and take my word on this. So that was what I did.
